A3700

Android Tablet

Overview

The Elys tablet is a versatile tool for your business. With its sleek, industrial design in aluminum alloy, it's designed to work with the Elys workstation or standalone as a mobile payment terminal and customer-facing display. Its touchscreen is specifically designed to record each transaction and provide an immersive and intuitive user experience.

- Powered by Android 11
- PCI PTS 6.x SRED
- 7" HD IPS Touchscreen (1280 x 800 px)
- 5 MP (front)
